Philadelphia, PA

(720) 628-0510
vpeake@affiliatedmonitors.com

Val Peake has been a Compliance Solutions Manager for Affiliated Monitors, Inc. (AMI) since 2019. Ms. Peake is an experienced trainer, leader, and educator of healthcare regulatory issues. Prior to joining AMI, Ms. Peake worked as the Online Training Development Specialist for the Maryland Department of Human Services, HRDT Learning Office. She developed online training modules and facilitated staff training sessions across the state.

Before arriving in Maryland, Ms. Peake worked as a Training Coordinator and Medication Administration Program Coordinator for the Colorado Department of Public Health & Environment, Health Facilities & Emergency Medical Services Division. Ms. Peake was recognized as Woman of the Year, by the National Association of Professional Women in 2017. In 2015, her group was awarded the Program Partner of the Year by Centers for Work Education and Employment (CWEE).

Ms. Peake acquired her knowledge and skills as a Centers for Medicare and Medicaid Services (CMS) State Training Coordinator (STC). Facilitating learning through a variety of delivery methods including classroom instruction, virtual training, and on-the-job coaching. Ms. Peake partnered with stakeholders and subject matter experts to identify internal and external training programs to address competency gaps.

As Medication Administration (QMAP) Program Coordinator, Ms. Peake coordinated and implemented program policies and strategies. Ms. Peake oversaw nurses, developed curriculum and led train-the-trainer courses. She conducted investigations into QMAP complaints by the public. Under her supervision, the program grew from qualifications of 2,500 to over 6,000 medication administration personnel.

Since March 2009, Ms. Peake has volunteered as the Victim Advocate one day a week at Colorado Moves Counseling, which provides outpatient therapy to men and women who are convicted of domestic abuse and/or drug/alcohol related events.

Ms. Peake has earned a MA in Accounting, a BA in Business Administration, and project management certification from Shaftsbury University.
