**Erin LeBel** is a Compliance Solutions Manager for Affiliated Monitors. In this role, she provides compliance case management services to individual health care practitioners throughout the country. Erin takes a hands-on and objective approach to assisting practitioners in meeting the requirements of their regulatory Board Orders or Consent Agreements. Practitioners she has served include cardiovascular surgeons, orthopedic surgeons, psychiatrists and family medicine physicians.

Erin also serves on the Home Health Agency Team, where she coordinates implementation of Compliance Programs for home health agencies, adult day health services and other health care agencies. In this role, she assists health care agencies in developing a Code of Conduct, drafting core compliance policies and training compliance officers to establish a robust compliance program. Erin serves on AMI's own Conflict of Interest Committee.

Prior to joining Affiliated Monitors, Erin served as the Executive Director for several State Boards of Registration while at the Massachusetts Division of Professional Licensure. She managed the consumer protection functions of mental health professional regulatory boards, ensuring that standards were met to obtain and maintain licensure while coordinating enforcement functions on behalf of the Board. Erin provided strategic and tactical direction for Boards, leveraging her deep knowledge, education and professional experience in the field of social work. Her Board responsibilities included the Boards of Registration of Social Work, Psychologists, and Allied Mental Health and Human Services Professionals. In addition to the mental health-related licensing boards, Erin has overseen the Boards of Registration of Veterinary Medicine, Professional Engineers and Land Surveyors, Dietitians/Nutritionists, and Certified Health Officers.

Erin earned a Master of Social Work from the State University of New York and a Master of Science in Health Systems Management from Union College. She received her Bachelor's degree in Social Work from the University of New Hampshire.
