Dionne Lomax is a Senior Antitrust Compliance Advisor at Affiliated Monitors, Inc. (AMI), where she provides independent compliance monitoring on matters involving competition and trade regulation across a broad range of industries, including health care. Ms. Lomax supports monitoring engagements by assisting in the design and implementation of monitoring work plans, maintaining communication with monitored companies and federal or state oversight agencies, reviewing compliance data, and drafting assessment reports with practical, actionable recommendations aligned with regulatory expectations and industry best practices. Ms. Lomax's notable monitorships include:

- Serving as the lead Settlement Compliance Monitor in *UFCW & Employers Benefit Trust v. Sutter Health*, a landmark antitrust settlement involving complex healthcare market issues, where she was jointly selected by the California Attorney General, Class Counsel, and Sutter Health.
- Overseeing compliance with Competition-Related Undertakings in the Centene Corporation/Magellan Health, Inc. merger settlement, and reporting on adherence to the settlement terms to the California Department of Managed Health Care.

Ms. Lomax has over two decades of experience representing high-profile clients in complex commercial transactions, with a focus on antitrust regulatory issues. Prior to joining AMI, she was a Partner in the Washington, D.C. offices of both Mintz Levin and Vinson & Elkins LLP. Her antitrust work spanned numerous industries, including health care, energy, chemicals, private equity, and technology, and involved advocacy before the U.S. Department of Justice, Federal Trade Commission, and various State Attorneys General.

Ms. Lomax's transactional experience, while focused on antitrust regulatory issues, has exposed her to the entire spectrum of M&A activity. She has: (1) counseled clients during the bidding process as they made critical decisions regarding strategic partners; (2) analyzed key aspects of asset purchase agreements to protect client interests and ensure adherence to antitrust statutes; (3) provided critical guidance on information exchange and related issues during pre-merger negotiations and due diligence; and (4) represented clients before state attorneys general and federal antitrust authorities to obtain clearance for various matters under investigation. She has also advised hospitals and health systems on a variety of competition law matters, including the legality of joint purchasing arrangements, exclusive dealing, and the development of antitrust compliance programs.

Earlier in her career, Ms. Lomax served as a Trial Attorney at the U.S. Department of Justice Antitrust Division's Health Care Task Force, where she investigated health plan mergers and other collaborative arrangements in the health care industry. She also clerked for The Honorable Clifford Scott Green in the United States District Court for the Eastern District of Pennsylvania.

Ms. Lomax received her JD from the University of Pennsylvania and graduated from Howard University *summa cum laude* with a BBA in Finance.
