Yasue Keyes is a Compliance Associate at Affiliated Monitors, Inc., where she assists in monitoring corporations' compliance with settlement agreements and regulatory standards and supports ethics and compliance assessments for organizations operating in highly regulated industries. She brings extensive experience in compliance management, regulatory oversight, and operational leadership – skills honed through her prior work in the cannabis industry and legal practice.

Before joining AMI, Ms. Keyes served as Director of Operations for a cannabis company in Massachusetts, where she designed and implemented a comprehensive compliance framework to ensure full adherence to state cannabis regulations. In this role, she led internal audits, managed licensing processes, and successfully launched a dispensary operation. Prior to that, she was a Cannabis Consultant at Forester Consulting, advising clients on licensing, municipal engagement, SOP development, and operational best practices. She is experienced in compliance management systems, audit preparation, and regulatory reporting.

Earlier in her career, Ms. Keyes served as a Staff Counsel for GEICO Insurance, where she litigated civil matters in defense of insureds, and as an Assistant State's Attorney in Maryland, where she prosecuted criminal cases in both district and circuit courts. She also served in nonprofit leadership as Legal Chair and President of Carter Nursery School, where she directed policy development and compliance for the institution.

Ms. Keyes earned her J.D. from Case Western Reserve University School of Law and is a Certified Compliance and Ethics Professional (CCEP). She also holds a B.A. in English from the University of North Carolina.
